Leti's Spaghetti Flip Flop

Sharing & Kindness Worksheets

Grades Pre-K–2 · Kind Choices · Sharing · Thankfulness

Welcome to Alphabet Garden Press! We're so glad you're here! These worksheets go with Leti's Spaghetti Flip Flop, from the Leti's Adventures series by Jazz Hands — thank you for sharing them with your young readers. Please enjoy them **free** for your own personal, home, and single-classroom use, and print as many copies as you need for your own students or children. We only ask that the files themselves stay with you: please don't resell them, share or copy them for others, redistribute them, post them online, upload them to shared drives or websites, or use them for any commercial purpose. If another educator or parent would like a copy, please send them to alphabetgardenpress.fun to download their own free copy — it's free for them, too. Thank you for reading, learning, and sharing — the story way, not the file way!
